

## **Hyde Park Baptist Schools 2009 Golf Camp**

### **What is it?**

Hyde Park Summer Golf Camps offer young coed athletes ages 8-18 an opportunity to experience the wonders of golf in a fun and positive environment close to home. These weeklong camps are designed to create interest and foster development in beginners and intermediate golfers. For three hours each day campers sharpen their skills under the watchful eye of our Staff, made up of PGA Professionals and Owen Clifton. In the afternoon, they take their newly acquired skills to the first tee for 9 holes with the staff. At the end of the week, we hope each of our Hyde Park Campers leave with improved skills, more confidence, and more passion for the game.
