HPHS Students Excel; Callie Harakel Will Perform with All-State Mixed Choir

HPHS student Callie Harakel was named 3rd Chair from our Area (which includes all of San Antonio, Austin, and half of Houston) for the 2010 TMEA All-State Mixed Choir. About 2% of the students that begin the audition process in Texas actually make it to All-State Choir. This is Callie's second time to be named to All-State Choir, and she is the first HP female student to achieve All-State. Callie will rehearse with All-State Choir in San Antonio Feb. 10-13 and perform at 11:30am on February 13.

Phillip Meeks and Kelly Cox also competed Saturday. Kelly earned the 6th chair soprano from Austin, which put her in the alternate position, and Phillip was named 4th best tenor in Austin. All of these students represented our school with dignity and honor.

HPMS Students Earn Spots in All-Region Choir

Eleven students represented Hyde Park Middle School on Saturday, January 23, at the TMEA Region 18 Middle School Choir auditions, with 646 middle school students from the Austin area. Five HP students make the All-Region Choir: Eric Fowler, Jansen Tapia, Adison Haager, Kirby Hampton and Sutherlyn Nichols. Students from the contest are chosen by judges to perform in the all-region choir on February 6. The concert will be held at San Marcos High School PAC and begins at 4:00 pm. Admission is free!
